

August 19<sup>th</sup>, 2010

**News for immediate release:**

The numbers are in! According to the KYSA registration report Louisville Soccer increased membership from 350 youth players to 449 youth players from 2009 to 2010. That is a very healthy 28% increase in youth membership. So far this year we are up another 50% in our under 9 through under 14 ages. Great job Coaches and Staff.

By comparison Javanon and Oldham County held steady with very minor decreases in membership of under 2%, while Mockingbird is down 24% and United is down 38% in membership.

Keep up the great work,

Mike Hayes  
Louisville Soccer President
