To All High School Age Players,

From all of us here at Louisville Soccer, we would like to thank you for your support over the years! We pride ourselves in providing an opportunity for any player no matter your race, creed, financial background or your physical ability the chance to play the game we all love. This is a great thing to be a part of and we hope you continue your soccer journey with us. We have many ways to keep you involved as a member of our coaching staff or to even keep you active during your off-seasons, holiday breaks and even your weekends.

For all of our freshman, sophomores and juniors that are looking to give back to the community and need service hours or even if you would like to coach or referee, we have many opportunities for you. If you would like to get involved with any of our community outreach programs or volunteer to help out with some of our younger teams, please just let me know and I can pass along the most recent opportunities available and you can help out as you are available. We are also always looking for younger team assistant coaches which can be paid jobs for you! Assistant coaches are needed in the fall, winter, spring and summer so if you have some time, we can get you out there with us for sure! Please just let me know if you are interested and we will see what fits your busy schedule.

Did you know that you can become a certified referee by going to [www.kyreferee.com](http://www.kyreferee.com) at any time and take the referee training course? Are you looking for a part-time job over the spring and fall seasons so you can continue to play club soccer? Did you know that all USSF referees are paid? If you are over the age of 14 and would like to start refereeing for the upcoming season, all you need to do is get certified and you can start refereeing today! As a member of Louisville Soccer we will also cover the cost of your entry level referee course. All you need to do is submit your payment confirmation from the KRSA and a name and address of where to mail the reimbursement check to [gdattilo@bellsouth.net](mailto:gdattilo@bellsouth.net) and we will get your reimbursement check out within 10 business days. This is a great way to give back to the game and be compensated at the same time!

For any of you graduating seniors that would like to stay involved playing soccer after club soccer ends, you can join any of our Kentucky Amateur Soccer League Futsal League or Outdoor Leagues. We offer leagues all throughout the year so please just go to [www.kentuckysoccer.com](http://www.kentuckysoccer.com) for all of the up to date adult league information. If you are looking to reduce your player fee, we also offer ways to reduce your fees for adult leagues by coaching for Louisville Soccer as well. All coaches at the competitive level must be certified and we offer reimbursement for taking your KYSA required coaching licensing so there is no cost to you! Please just go to [www.louisvillesoccer.com](http://www.louisvillesoccer.com) and click on employment to submit your employment/ volunteer form to get involved for the upcoming season.

If you have any questions about opportunities or if you would just like our assistance in your next adventure, we are here to help, so please just let me know if you need anything! Thank you all again for your help and support and we really would love to keep you involved at any capacity here at Louisville Soccer!

Sincerely,

Gemma Dattilo  
Club Administrator
